

## **Membership Agreement**

When purchasing a share you agree to the following:

- Your payment entitles you to a weekly season-long share of delightful, fresh produce.
- It is your responsibility to pick up your share during the scheduled distribution (or make arrangements with the farmers).
- You will share in the risks and reward of the season with the farmers and other shareholders. Due to weather and other variables, you may receive more or less produce than you expect.

We as farmers agree to the following:

- We will try to be flexible if you need special accommodations for a given week. You need to give us enough advance notice so that we can work something out.
- We will keep you up-to-date about the farm and what to expect in shares, and we will strive to make you a part of the CSA farm community!

We are eager to serve you and make this a successful year.
