

**Abundance Acres, Inc.**  
Expectations for use of Facilities

Abundance Acres is a 501.c3, non-profit organization and depends on volunteers and donations to maintain and offer its location and facilities as a gathering place. Thank you for considering the use of the Abundance Acres facilities. We do not charge for using the physical space, but encourage you to consider a donation that enables the organization to continue to provide these accommodations to others. We also appreciate your help in cleaning up after your use of any of the buildings or area.

**The use of Abundance Acres is guided by our Vision / Mission Statement**

Abundance Acres is a non-profit organization 501(c)(3) that bears witness to the abundant love of Christ by creating a setting:

- for individuals, families and the community to pause, reflect and refocus their thinking;
- that nurtures learning, restoration and renewal of lives and relationships;
- for fellowship and retreat;
- and cultivating relationships between God, creation and each other.

**Basic Use of the Premises**

**In order to experience a safe and comfortable time we request that there be no:**

- Weapons of any kind
- Alcohol and illegal substances
- Fireworks
- Smoking
- Loud music that could be heard beyond the Abundance Acres property.

**A few more guidelines for use of Abundance Acres in case you have questions!**

- All fires are to be extinguished prior to leaving the premises. No open fires are allowed except in the designated grill located outside the pavilion and in fire pits by the cabins. Please do not leave the pavilion or cabin areas until any fires are completely extinguished.
- Picnic tables may be moved, but please return them to the pavilion when done.
- Please leave the area clean and free of trash. When leaving, trash may be placed in a dumpster at the entrance of Abundance Acres.
- If you have taped or stapled decorations to the shelter, please remove and dispose of these items.

Electrical Service: The electrical service in the Pavilion is only a 20 amp service, but will support common household equipment. Please no hair dryers or curling irons.

Emergency: A First Aid box and fire extinguisher is located in the corner of the pavilion.
